The 2020 Annual Conference on Advancing School Mental Health

Hotel & Transportation

Baltimore Marriott Waterfront Hotel
700 Aliceanna Street
Baltimore, MD 21202
(410) 385-3000 | 1-800-228-9290

Dining. The hotel includes The Poet’s Corner, Apropos’s Dining, and room service for breakfast, lunch, and dinner. Just outside the hotel are lovely views of the inner harbor and a variety of local entertainment and dining options.

Reserve Your Room!
Reserve your room now using the link above! Provide the event name “Advancing School Mental Health Conference” when making your reservation. Each person must provide a credit card and one night’s room and tax deposit. The discounted guest room rate is $199/night and includes in-room internet, access to the business center, and express check-in/check-out. Rates cannot be changed at check-in or check-out for guests who do not provide the event name when the reservation is made. Individual reservations must be received no later than 30 days prior to your arrival date, or October 2, 2020. Rooms may fill up before the booking deadline. After the cut-off date, any new reservation or changes into an existing reservation will be accepted based on space and rate availability.

Baltimore/Washington International (BWI) Thurgood Marshall Airport
7050 Friendship Road
Baltimore, MD 21240
(410) 859-7683

Flying. View the TSA Travel Checklist to ensure you are fully prepared for your flight!

Transit. BWI Airport is approximately 11 miles or 20 min from the hotel. Explore transit options, such as bus and light rail, rental cars, shuttles, airport taxi service, and ride-sharing apps, like Lyft and Uber. Lyft/Uber is typically $20-$30 but varies on time of day, availability, and selected service level. View safety tips for ride-sharing.

Celebrate 25 years of advancing school mental health!
The Annual Conference, the nation’s premier interdisciplinary conference on school mental health, brings together local, state, national, and international experts to advance knowledge and skills related to school mental health practice, research, training, and policy.

The intended audience includes counselors, educators, family members, family therapists, health educators, nurses, occupational therapists, physicians, psychologists, social workers, and other youth-serving professionals.
