The Bureau of Student Wellness is committed to the development of the whole child. We work, in collaboration with local communities, school districts, and individuals, to support students as they become fully productive members of society. Our approach allows us to affect real, meaningful change in the lives of all Granite Staters while remaining fiscally responsible, culturally competent, and youth guided.

**WHAT IS STUDENT WELLNESS?**

Student wellness is the recognition by schools, districts, and educational professionals that there are many factors that impact a student’s academic attainment. It is an approach that focuses on supporting the whole child. The dimensions of wellness include: Emotional, Personal, Intellectual, Physical, Environmental, Occupational, and Social factors.

**ENVIRONMENTAL WELLNESS**
Promote safe and supportive environments in the home, school, and community that encourage wellbeing.

**SOCIAL WELLNESS**
Developing a sense of connection, belonging, and a well-developed support system

**INTELLECTUAL WELLNESS**
Recognizing creative abilities and finding ways to expand knowledge and skills

**PERSONAL WELLNESS**
Expanding a sense of purpose and meaning in life

**OCCUPATIONAL WELLNESS**
Personal satisfaction and enrichment from one’s work

**PHYSICAL WELLNESS**
Learn and model healthy practices and routines

**EMOTIONAL WELLNESS**
Coping effectively with life and creating satisfying relationships

This information sheet was developed (in part) under grant number 1U79SM06151201 and 1H79SM061875-01 from the Substance Abuse and Mental Health Services Administration (SAMHSA), U.S. Department of Health and Human Services (HHS). The views, policies, and opinions expressed are those of the authors and do not necessarily reflect those of SAMHSA or HHS.
The Bureau of Student Wellness utilizes a common framework for the development of all Student Wellness initiatives. Pictured to the left, this framework identifies the core components of a student wellness program as well as the guiding principles and strategic approaches that must be used to ensure success and sustainability. This framework is based on the Safe Schools/Healthy Students framework developed by the federal Substance Abuse and Mental Health Services Administration (SAMHSA) in 1999 and has been used by countless states, school districts, and programs.
