**Welcome to the George E. Miller Art Studio website**

"I use my gift to encourage students to stay in school, to salute the adults that stand up for our children and to make visible the love that exists but cannot always be seen."

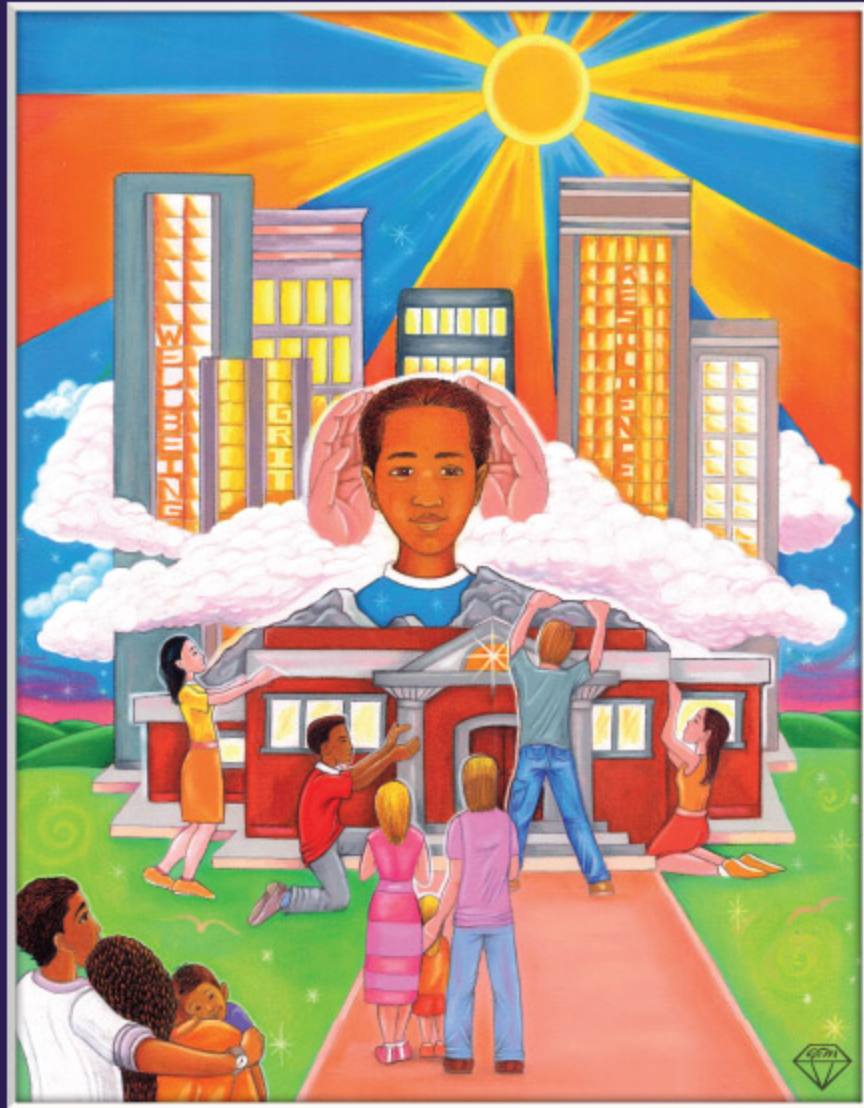

George E Miller's, "*It Takes An Entire Village To Raise A Child*" was used in the feature film, "The Preacher's Wife," starring Denzel Washington. It is also seen in the official trailer beginning at 00:41 second mark.
