

Pittsford Schools

School Health Services NATIONAL QUALITY INITIATIVE

Accountability • Excellence • Sustainability

an initiative of the School-Based Health Alliance and the Center for School Mental Health

Strategic Action Planning

Thank you for completing the *School Mental Health Assessment Tool*. Please meet with your school mental health team and review your scores on each performance domain provided in this report and complete the table below.

Evaluate your system’s capacity and motivation to implement change in each domain.

Quality

Domain	Need for change (1-10)	Desire to change (1-10)	Resources to achieve change (1-10)	Barriers to change (1-10)
	<i>1= no need 10= great need</i>	<i>1= no desire 10= great desire</i>	<i>1= no resources 10= many resources</i>	<i>1= no barriers 10=many barriers</i>
1. Teaming				
2. Needs Assessment/ Resource Mapping				
3. Screening				
4. Evidence-Based Services and Supports				
5. Evidence-Based Implementation				
6. School Outcomes and Data Systems				
7. Data-Driven Decision Making				

Sustainability

	Need for change (1-10)	Desire to change (1-10)	Resources to achieve change (1-10)	Barriers to change (1-10)
Domain	<i>1= no need 10= great need</i>	<i>1= no desire 10= great desire</i>	<i>1= no resources 10= many resources</i>	<i>1= no barriers 10=many barriers</i>
1. Funding and Resources				
2. Resource Utilization				
3. System Quality				
4. Documentation and Reporting of Impact				
5. System Marketing & Promotion				

Based on the results of your change analysis, identify one to two domains to work on in the next year:

1. _____

2. _____
