

Strategic Action Planning- Part 2

DOMAIN:_____

Please state a specific goal within this domain.

GOAL:

How will you know if you've achieved success within this goal?

INDICATOR OF SUCCESS:

What opportunities exist related to this goal?

- What have been our past successes?
- What current work is taking place related to this goal?
- What are our available resources (leadership, infrastructure, staffing, partnerships)?

What barriers exist related to this goal?

- What would prevent us from moving forward with this goal?
- What would we need to overcome this/these barrier(s)?

Ideas to start with small tests of change:
