

### Cultural Self-Assessment (Hays)

Investigate your own cultural heritage and pay attention to the influence of privilege on our understanding of cultural issues. Write a brief description of the influences you consider salient for yourself in each category. If current influences are different from those that influenced you growing up note those differences.

Age & Generational Influences	
Developmental / Acquired Disabilities	
Religion & Spiritual Orientation	
Ethnicity	
Socio-economic status	
Sexual orientation	
Indigenous heritage	
National origin	
Gender
