

# Healthy Transitions Supplemental Qualitative Survey

**Maryland Healthy Transitions Supplemental Interview** Thank you for helping us understand your experiences with Healthy Transitions! Your responses to the following questions will help explain the strengths of Healthy Transitions and ways it can improve. There are 7 questions which we expect will take people around 5-10 minutes to answer. All information you provide in this survey will be confidential and not connected to your name in any way. The only people who will see your responses are the research team at the University of Maryland School of Medicine. Completing this supplemental interview is optional, and you may skip any questions you cannot answer or do not wish to answer. There are no rewards for participating and declining to participate does not impact the services you receive from Healthy Transitions in any way. If you have any questions or concerns, please ask the staff member who is helping you complete this interview.
