Prime Screen- Revised with Distress

The following screen asks about your personal experiences. It asks about your sensory, psychological, emotional, and social experiences. Some of these questions may seem to relate directly to your experiences and others may not. Please read each question carefully and answer all questions.

Based on your experiences within the past year, please indicate how much you agree or disagree with each statement by circling the answer that best describes your experience.

Definitely disagree	Somewhat disagree	Slightly disagree	Not sure	Slightly agree	Somewhat agree	Definitely agree
0	1	2	3	4	5	6

Then, using the same scale as above, rate how much you agree or disagree that the experience has frightened or concerned you, or caused problems for you. If you have not had the experience described, circle N/A (not applicable).
