School Mental Health Webinar Series

Description

The Central East MHTTC in collaboration with the National Center for School Mental Health is hosting a school mental health webinar series with a focus on advancing high quality, sustainable school mental health from a multi-tiered system of support, trauma sensitive, and culturally responsive and equitable lens.

Objectives

• Gain increased awareness of high quality, sustainable multi-tiered system of school mental health supports and services
• Support trauma-informed systems in schools
• Discover the impacts of social determinants of health on student academic and social-emotional-behavioral success
• Learn to provide more culturally responsive and equitable services and supports
• Hear perspectives on school mental health from school, district and state levels
• Obtain insight into how youth, families, schools and communities can best work together to address student mental health needs
Upcoming Webinars

More to be Scheduled September – June

1st Wednesdays of the Month, 3:00-4:00 ET
Commitment

- Racial and social justice lens
- Cultural responsiveness and equity
- Developing and modeling equitable and anti-racist policies and practices
- Learn, heal, grow together
Introductions

Dana Cunningham, Ph.D.
Brittany Patterson, Ph.D.
Perrin Robinson, M.S.

Today’s Webinar

Goals of the webinar:

• Identify school-level challenges related to COVID-19, inequities, racism, and/or social justice

• Discuss how school leaders and mental health providers can collaborate to promote change in schools?

• Consider how schools can begin to address race, racism, inequities, and social justice
Meet the Panel
Tiffany Beason, Ph.D.
Principal Lauren Brown
Describe your reactions to current events. How have they impacted you and what are you doing to care for yourself?
Share school-level challenges related to inequity, racism, and/or social justice.
Question and Answer
Discuss the importance of the relationship between school leaders and school-based mental health providers to address COVID-19 and racism.
Describe how you are addressing race, racism, and social justice in your school environment.
What can schools/school communities do to help support youth and families?
Question and Answer
What is your vision for the future? What changes would you like to see in your school and community?
Question and Answer
Resources (e.g. Cultural Proficiency Continuum Dialogic Protocol, others?)
Dr. Cormier
Place holder
