**NTI's Free web-based NTI training gives
you skills, tools, and strategies to:**

- Learn assessment and therapeutic strategies to address mental health, developmental, and behavioral challenges
- Enable children in foster, adoption, and kinship families to heal from trauma and loss
- Improve outcomes for permanency by increasing child and family well-being and promoting stability
- Build a shared language to foster interdisciplinary collaboration between Child Welfare and Mental Health professionals

Enhance Clinical Skills Anywhere!
