WHAT PEOPLE ARE SAYING

"This is the best class I have ever taken. The content was SO helpful and relevant to my classroom and the social & emotional needs of my students. I cannot wait to take more classes from the PPTL Online School Mental Health Academy."

"No one ever prepared me as support staff to work with children struggling with their mental health. This certificate program was eye-opening and exceptionally well-done. I have learned so much and am forever changed because of it."
