

# The Virtual 2022 Annual Conference on Advancing School Mental Health Sponsorship Information

## The Three Rs: Reflect, Recover, Renew | October 13-14, 2022

Each year, the Annual Conference on Advancing School Mental Health brings together leaders, practitioners, researchers, family members, advocates, and other stakeholders in the school mental health field to share the latest research and best practices. The conference emphasizes a shared school-family-community agenda to bring high-quality, culturally responsive, and equitable evidence-based mental health promotion, prevention, and intervention to students and families as part of a multi-tiered system of supports. This conference is hosted by the [National Center for School Mental Health](#) (NCSMH; funded in part by the Health Resources and Services Administration). If you have any questions, please contact the NCSMH team at 410-706-0980 or [ncsmh@som.umaryland.edu](mailto:ncsmh@som.umaryland.edu).
