The **Annual Conference on Advancing School Mental Health** brings together leaders, practitioners, researchers, family members, advocates, and other partners in the school mental health field to share the latest research and best practices. The conference emphasizes a shared school-family-community agenda to bring mental health promotion, prevention, and intervention to students and families as part of a multi-tiered system of supports. This conference is hosted by the [National Center for School Mental Health](https://www.schoolmentalhealth.org).
