including the
Screening and
Assessment Library.

Use district and state dashboards to collaborate with schools and districts in your region.

Improve. The SHAPE

Resource Center houses free resources to help your team advance school mental health.

Support. State and district dashboards provide leaders with the opportunity to view the landscape of school mental health to guide technical assistance and quality improvement.

Register as an individual, school, district, or state!

The National Center for School Mental Health (NCSMH) at the University of Maryland School of Medicine is funded in part by the U.S. Department of Health and Human Services, Maternal and Child Health Bureau. The NCSMH mission is to advance school mental health programs and policies to promote success for America's youth.
